**Subchapter II. Prohibitions**

**Section 5-203 Procedures for Local Authorities to Burn Natural Wood**

The legislative branch of a municipality (selectmen or city council) may authorize the burning of natural wood and chemically untreated wood at a place within the municipality. The burning of such wood shall be conducted under the direction of and at such times as the fire warden for that municipality determines. If the selectmen or city council intends to exercise this option to burn natural wood, the selectmen or city council shall notify the Secretary of the location of the site to be utilized for the public disposal of natural wood by open burning. Prior to burning of any material at this site, the Secretary shall certify in writing that this site is the one place within the municipality that will be used for the open burning of natural wood.
