CHAPTER 5

AIR POLLUTION CONTROL

Subchapter IV. Operations and Procedures

Section 5-402 Written Reports When Requested

The Air Pollution Control Officer may at any time require written reports from the person operating or responsible for any proposed or existing air contaminant source, which reports shall contain information concerning location, siting, size and height of contaminant outlets, processes employed, pertinent process and material flow, fuels used, nature and amount and time periods or durations of emissions and such other information as may be relevant to the air pollution potential of the source. These reports shall also include the results of such source testing as may be required under Section 5-404 herein.
