REGION 1**

Date of Notice: 7/2/2021

Public Notice Number: PN2021-000012

Comment Period: 7/2/2021 to 8/2/2021

Action: Notice of Proposed Assessment of Class II Civil Penalty and Notice of Opportunity for a Hearing under Section 309(g) of the Clean Water Act (CWA)

Under Section 309(g) of the CWA, 33 U.S.C. §1319(g) the United States Environmental Protection Agency (EPA) is authorized to assess a civil penalty, after providing the person subject to the penalty notice of the proposed penalty and the opportunity for a hearing, and after providing interested persons public notice of the proposed penalty and a reasonable opportunity to comment on its issuance. In Class II proceedings under Section 309(g)(2)(B), any person who violates certain provisions of the CWA may be administratively assessed a civil penalty of up to \$22,320 per day per violation for each day during which the violation continued, up to a maximum of \$278,995. Proceedings are conducted in accordance with the “Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation or Suspension of Permits,” at 40 C.F.R. Part 22 (Part 22).

The procedures by which the public may submit written comments on a proposed penalty order or participate in a penalty proceeding are set forth in Part 22. The deadline for submitting public comment on a proposed penalty order is 30 days after issuance of the public notice.
