OAQPS Sector Policies and Programs Division

What Do We Do?

The primary mission of the Sector Policies and Programs Division (**SPPD**) is to protect public health and the environment by leading the development of comprehensive and cost-effective emission reduction strategies and regulations governing air emissions from stationary sources.

Who Can Apply?

SPPD typically seeks individuals who have graduated from, are enrolled in, or are accepted for enrollment in bachelor's degree, graduate degree, or professional degree programs from qualifying educational institutions. For more information, visit www.epa.gov/careers - U.S. citizenship is required. SPPD is an Equal Opportunity Employer. We are committed to Diversity, Equity, Inclusion, and Accessibility in our workforce.

8 Sector Based Groups
